

T.C. Williams High School Crew Safety Acknowledgement

I acknowledge that I have read, understand and will comply with the **Boat House Safety Rules** and **On The Water Safety Rules**.

I understand that full compliance with these safety rules and procedures is a necessary part of the sport of rowing, and is a condition of my participation on the crew team and use of the Dee Campbell Rowing Center.

I understand that the Dee Campbell Rowing Center (the boathouse) is property of the Alexandria City Public Schools, and that I am authorized to use the boathouse only as part of the T.C. Williams Crew team, under a coach's supervision.
